**NARRATIVE:**

Gregory Williams has an extensive adult criminal history that began at the age of 18. His convictions include exhibiting a deadly firearm, robbery, carrying concealed weapon, grand theft auto, vehicle theft, assault, sales of pcp, kidnapping, false ID to peace officer, sales of cocaine, possession of narcotic controlled substances and transporting narcotic controlled substances. He has served multiple incarcerations, the longest being an 8 year term for transporting narcotic controlled substances. Williams was released from state prison to the supervision of the Los Angeles County Probation Department on April 28, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2016 after he absconded from post release community supervision (PRCS). Williams qualified to be released to the supervision of probation, under AB 109, because his current commitment offenses for possession of narcotic controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
